MM Docket No. 92-282

In the Matter of

Amendment of Section 73.202(b), RM-8080
Table of Allotments,
FM Broadcast Stations.
(Marco, Florida)

NOTICE OF PROPOSED RULE MAKING

Adopted: November 17, 1992; Released: December 1, 1992

Comment Date: January 21, 1993

Reply Comment Date: February 5, 1993

By the Chief, Allocations Branch:

1. Before the Commission for consideration is a petition for rule making filed by The University of South Florida ("petitioner") requesting the allotment of Channel 255A to Marco, Florida, and its reservation for noncommercial use. Petitioner states its intention to apply for the channel, if allotted.

2. Generally, noncommercial educational stations operate within the reserved portion of the FM band (Channels 201-220). However, exceptions have been made where channels in the noncommercial educational band are not available because of foreign allotments (Canadian or Mexican) or potential interference to operation on VHF Television Channel 6. According to petitioner, there are no noncommercial educational channels available for use at Marco. Petitioner notes that Marco is served by three commercial FM stations and one commercial AM station.¹

3. We believe the public interest would be served by proposing to allot Channel *255A to Marco, Florida, and to reserve the channel for noncommercial educational use. An engineering analysis has confirmed that Channel *255A can be allotted to Marco in compliance with the Commission's minimum distance separation requirements with a site restriction 14 kilometers (8.7 miles) northeast of the community.²

4. Accordingly, the Commission believes it would be in the public interest to seek comments on the proposal to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the following community:

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before **January 21, 1993**, and reply comments on or before **February 5, 1993**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

1333 New Hampshire Avenue, N.W.
Suite 600

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact Nancy J. Walls, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

¹ Currently there are two FM stations and an AM station licensed to Marco which are on the air. The other FM station is currently off-the-air.

² The coordinates for Channel *255A are North Latitude 25-59-57 and West Longitude 81-38-38.
